e-STUDIO2823AM

Product brochure

- The e-STUDIO2323AM/2823AM cover the basic needs of modern businesses, offering a mono print speed of up to 23/28 pages per minute.
- Intuitively designed devices that are easy to use and allow for seamless integration with your systems and workflows.
- Designed to meet the highest environmental standards, both models help save valuable resources.

**TOGETHER
INFORMATION**

Key features

- Compact A3 systems with mono printing and copying capabilities as well as high resolution colour scanning.
- Excellent printing and scanning quality for documents with impressive clarity.
- Energy save modes for optimised usage and intelligent resource management.

Efficient, productive and highly reliable top-performers.

Benefits

With an output speed of 23 and 28 pages per minute the e-STUDIO2323AM/2823AM can easily keep up with the needs of your business. Their outstanding image quality will give your documents a professional look and leave a lasting impression with your business partners.

Uncompromised ease-of-use

Intuitively designed devices that are easy to use and allow for seamless integration with your systems and workflows.

- Intuitive use of all functions
 - No matter whether you want to print, scan or copy – via the user interface all features are just a click away.
- Mobile Print
 - Convenient print from mobile devices via USB cable.
 - Print from or scan to mobile devices with the e-BRIDGE Print & Capture Entry app.
