Datasheet

- > Reliable A4 monochrome printer that prints up to 52 pages per minute.
- > First print output time of 4.5 seconds for exceptional efficiency.
- > Large colour touch screen makes using the device easier than ever.

With efficiency, productivity and functionality the e-STUDIO528P has much to offer any organisation. This powerful printer meets the demand for flexibility in the workplace thanks to the addition of mobile printing connectivity.

A maximum paper capacity of 4,400 sheets can be achieved via a wide range of paper handling options. These options allow you to tailor this A4 monochrome print system to your individual requirements, and therefore optimise your document workflow.

This device is built to last – its robust structure can withstand the most demanding business environments. Long-life consumables, standard features like energy save modes and built-in duplex printing help save valuable resources and ensure a low cost of ownership – while meeting today's strict environmental regulations.
